

Liliana Hernández Gómez
Control Escolar
El Árbol Green School

Liliana studied Communications and Journalism in Universidad Nacional Autónoma de México. She brings along 14 years of experience in the educational field working in an educational environment in Playa del Carmen, where she's been a resident since 1996.

In her previous role as part of the administrative team at Escuela Manuel Acosta Playacar (EMMA), she was responsible for conducting admission tests, interviewing candidates for teaching positions, acting as a representative of the school at SEP meetings, and stepping in when needed as a substitute teacher.

She joined El Árbol Green School in 2019 to assist with administrative tasks.

She lives with her husband, her three sons and a daughter.
